SUMMARY

Possesses an eye for innovative projects that will appeal to a broad audience. As well, as an Innovative Event Producer bringing comprehensive background to non profits and corporate business.

CORE COMPETENCIES

Analytical thinker, Technical Skills.

PROFESSIONAL EXPERIENCE

DJ II

ABC Corporation - July 2013 – November 2015

Key Deliverables:

- Responsible for negotiating new pipeline valve site easements, power line easements on behalf of regional Electric Utility companies
- Temporary workspace easements and surface damage compensation for all landowners.
- The pipeline (and therefore powerline) routes ran through Fee lands, Federal BLM lands, State lands, County lands and Division of Parks and Wildlife lands.
- Easements, road crossing permits, work access permits and daily landowner - project manager communications were required for each site.
- Worked directly with Environmental and Cultural Environmental inspectors.
- An improved overall experience by implementing an updated playlist and direct contact with customers.
- Reduced business expenses by taking on new responsibilities without an increase in salary.

DJ

ABC Corporation - 2010 – 2013

Key Deliverables:

- I interacted with other employees, customers, and my boss four days a week usually sometimes more.
- Handed out skates to incoming customers, worked in the kitchen and snack bar, organized a music playlist for each two hour session, and skated around the skating rink floor to enforce rules and make sure everyone was safe.
- I made peoples experience at the skating rink more enjoyable and safe.
- Repaired many skates, the DJ booth itself, and other things around the building when they broke or needed slight repairs.
- Skills Used People skills, like talking to people, interacting with them, and serving them.
- Physical strength, by simply moving CO2 tanks and repairing skate racks.
- Problem solving, when something would malfunction I would be the one to fix it..
