### Tattoo Artist/Representative

Tiny Town Tattoo - 1997 – 2000

- I am an owner-operator Accomplishments for over 30 years I have created many projects using almost every type of medium.
- From airbrushing paintings on the side of large buildings to painting faces at carnivals to tattooing rock stars.
- Skills Used being a tattoo artist, I am required to design a fresh new design several times a day, every day.
- Have the ability to shape designs to fit many different shapes and sizes.
- I also am very skilled in using illustrator and photoshop programs.
- Along with tattooing and airbrushing that I feel gives me an edge on other designers who only know the computer, I have been a sign painter, vehicle artist and craft artist, so I feel I have so many design skills other than the computer which allows me to use those skill sets to aid me with designing using programs.
