WORK EXPERIENCE

Art Consultant II

Thomas Kinkade Art Gallery - November 2014 - 2020

Responsibilities:

- Plan and direct lessons and projects in the fine arts for grades Kindergarten through 8th.
- Design a curriculum that developed State Education goals and promoted the enjoyment of the creative process, craftsmanship, and appreciation of the fine arts.
- Create projects using a wide variety of media that taught art concepts and skills.
- Focused many projects on famous works of art, made cross-curricular connections and promoted multicultural awareness.
- Conduct student assessments including the State Aptitude Test.
- Students regularly scored above the state average in the fine arts subjects.
- Plan and direct a successful after school art program and yearly fine art fair.

Art Consultant

ABC Corporation - 2013 - 2014

Responsibilities:

- Created multiple potential color palettes for the new CIS website.
- Coordinated with owners on finalizing color choices based on brand identity.
- Suggested design changes to draw the users eye to key information, as well as improve the overall aesthetic.
- Photographed business, sites, and employees for use throughout the website.
- Contributed to the creation of the new, soon to be live CIS website.
- Coordinated with management to find solutions to artistic concerns.
- Skills Used Photoshop HTML and CSS Photography & Editing.
