WORK EXPERIENCE

Psychometrist

ABC Corporation - 2010 - 2012

- Scored and developed interpretations for mental health professionals.
- Administered and scored neuropsychological testing.
- Researched participants with and without Alzheimers disease, and Mild Cognitive Impairment.
- Extension Administered group psychological tests; scored and profiled the results of the test.
- Served as supervisor to the Gang Intelligence Officer.
- Liaisoned between Psychologists and staff.
- Responsible for organizing and keeping track of confidential client information.

Psychometrist

ABC Corporation - 2005 - 2010

- I worked with John Meyers a clinical neuropsychologist in Sioux City in different locations.
- We were attached to a Rehabilitation Center with Mercy Medical Center and then moved our office to the Center for Neurosciences Orthopedic and Spine.
- In both locations I was responsible for administering and scoring the neuropsychological assessments on individuals ranging from 6 to 102 with various cognitive impairments.
- Building trust and rapport with patients to complete the battery of tests ordered by Dr. Meyers.
- All tests were scored and on his desk by the end of the day so he could get results back to the referring doctors within 48 hours.
- This is Dummy Description data, Replace with job description relevant to your current role.

EDUCATION

Master of Counselor Education in Clinical Mental Health Counseling - (The University of Toledo - Toledo, OH)
