President And CEO II

NueHealth Greater Philadelphia - 2007 – 2008

- NueHealth is a subsidiary of Nueterra, the largest privately held organization in the U.S.
- specializing in equity partnerships with health systems, governments, hospitals and physicians, and the development and management of focused community hospitals, surgical hospitals, ambulatory surgery centers, pathology labs and physical therapy centers across more than 28 U.S. states.
- In anticipation of healthcare's evolving future, NueHealth was founded in 2014 as a means of aligning integrated providers, connecting them to healthcare consumers and delivering value-based payment options and improved outcomes for both audiences.
- By providing the infrastructure for successful IPNs, custom benefit plans and management, proprietary technologies and online platforms, and bundled payment programs, NueHealth is empowering independent physicians to remain independent while simultaneously empowering employers and patients to better manage personal health choices and overall healthcare costs.

- Ultimately, NueHealth is integrating providers into sustainable networks that ensure success and deliver direct access to transparent care for patients willing to take full command of their health future.
