SUMMARY

Create animations in both 3D and 2D as well as create digital illustrations in Adobe software. Bringing to characters life through creative animations and illustrations with own unique touches.

CORE COMPETENCIES

Adobe Creative Suite, Hard Working.

PROFESSIONAL EXPERIENCE

Animator/Executive

ABC Corporation - May 2011 – September 2014

Key Deliverables:

- The Silver Lining Work on animation, feedback, and critique.
- An Erica Reed Thriller Analyzing source material such as character sheets, concept art, scripts, and audio files for animation character development.
- A repository to send and receive files and other needed resources.
- Moebius Additional responsibilities for this project include weekly feedback meetings with Jane Jenson.
- Attending daily animation meetings via webcam. Skills Used Photoshop.
- Creating a 30-minute long 2d Animation from storyboards to the polished product.
- Able to take part in helping a short film stand out even more against other competitors.

Animator

ABC Corporation - 2009 – 2011

Key Deliverables:

- The electronic opera "STRIKE" contracted me to create the visuals for their 30 minute long live performance.
- Each track of the live performance had its own story and visual language.
- For example, I've completely used my own imagination in creating an animated sensual world for "Veinz".
- And for "National Erektion" I edited old war footage with comedic acting over green screen that I cleaned and filled with a video.
- In addition, I have produced print and digital work for VICE, Espolon Tequila, and Freepress Houston, in addition to music videos for ATELLER, Tomerun, GADADU, Adi Ulmanský, and others.
- My complete still+motion portfolio is available here www.cultofdang.com www.vimeo.com/dannagrace.
