### SUMMARY

Following a challenging and rewarding career in public health and education, looking for a position where can make a difference working in the community particularly with young adults and children.

### SKILLS

CPR, AED, Basic Life Support, Commercial Drivers License.

### WORK EXPERIENCE

#### Jr. Health Officer

ABC Corporation - July 2010 – August 2010

- Contracted full time to manage mental health program.
- Provided services and supervise staff providing 24 hour, 7-day mental health services in the Montgomery County Jail.
- Recognized intoxication and withdrawal, suicide prevention, crisis intervention, counseling, referrals, routine assessments, and maintaining NCCH and ACA standards for mental health in jails.
- Coordinated county jail diversion program to divert mentally ill from jail.
- Served on community Criminal Justice/Mental Health committee to initiate and train Dayton Police Department CIT officers (based on Memphis CIT program) and committee to set up mental health courts for Montgomery County.
- Served on Mental Health Court Roundtable to determine eligibility for mental health court and follow clients accepted to mental health court.
- In charged of all medical records of every staff member, camper, and counselor that came into the camp ground.

#### Health Officer

Delta Corporation - 2007 – 2010

- Also function as a Health Officer prescreening inmates for emergency commitment to Twin Valley Psychiatric System.
- Liaison for Common Pleas and area municipal courts, as well as Prosecutors Office, Public Defenders Office, attorneys, forensic psychologists, families, and police.
- In addition, train the Jail Extraction Team and have been involved in training for the Sheriffs Department Hostage Negotiation Team in intervening with the mentally ill.
- In addition I was on call 24/7 for any and all medical emergencies that may arise at the camp.
- Finally, I was also in charge of teaching three different merit badge classes each day for multiple groups of campers.
- During my time there I treated everything from minor cuts and scrapes but also had to ship out to major medical emergencies which required immediate medical attention.

- Was also able to instruct various campers on basic first aid and expose them to the medical field, several of which now have chose a career in the medical field.

## SCHOLASTICS

- Motorcycle technical degree in Harley Davidson, Vintage Harley Davidson, PHD - 2015(United Technical Institute - Orlando, FL)
