CORE COMPETENCIES

graphic design, Tattoo artist. demolition reconstruction.

PROFESSIONAL EXPERIENCE

Tattoo Artist/Coordinator

ABC Corporation - November 2008 – February 2011

Key Deliverables:

- Carried out an apprenticeship to completion here and set up appointments for myself, as well as others.
- Illustrating and transferring designs on to the skin using a tattoo machine and permanent ink.
- Conducting spore tests, sterilization with autoclave, ordering materials through supply companies.
- Consider being empathetic of peoples emotions and needs and customer service skills and traits.
- Created custom tattoos for clients in a professional, clean environment, using the needed electric tool.
- Answering phones, ordering any supplies the business needed, drawing designs, organizing, and Tattooing.
- Pressed charcoal-coated stencil, draws design, or traces the design onto the skin of patron, an outline of the design.

Tattoo Artist/Coordinator

ABC Corporation - 2003 – 2008

Key Deliverables:

- Performing body art, mainly tattooing.
- Anything from names, back pieces, to cover-ups.
- Special attention to detail was a must.
- Using new equipment on each customer, protecting myself, and the customer from any blood-borne pathogens.
- Handling money on a daily basis, and keeping stock on inventory.
- As a self-employed worker, I gained clientele, which helped me to take care of my family. Gained knowledge of how to manage money, and experience in inventory. Giving great customer service, and sending customers home satisfied.
