Determined and detail-oriented designer with proven success in leading the conceptualization and implementation of diverse interiors projects. Hands-on experience in a variety of interior renovation and development projects. Competent in project based cost estimations. Substantial knowledge of contemporary trends in interior design and state approved building codes. Demonstrated ability to collaborate effectively with colleagues and clients.

Skills

Microsoft Office, Windows.

Work Experience

Custom Jewelry Designer

ABC Corporation - June 2005 - March 2009

- Confer with Board of Directors and Investors to determine factors affecting planning interior environments, such as budget, architectural preferences, purpose and function.
- Advise client(s) on interior design factors such as space planning, layout and utilization of furnishings or equipment, and color coordination.
- Review and detail shop drawings for construction plans.
- Coordinate with other professionals, such as contractors, architects, engineers, and developers to ensure job success.
- Estimate material requirements and costs, and present a cohesive design to client for approval.
- Subcontract fabrication, installation, and arrangement of flooring, fixtures, accessories, draperies, paint and wall coverings, art work, furniture, and related items.
- Successfully completed several, multi-million dollar projects on time and on budget.

Interior Designer

ABC Corporation - 2000 - 2005

- Started my own business as a interior designer in 2001.
- My experience in film led me to branch out to design for clients that included directors, producers, writers, lawyers and business professionals.
- Was successful in fulfilling their creative vision while also delivering the project on time and on budget.
- While also working as a the project manager I ensured the vast supply of vendors, merchandise orders and custom designs where correct.
- Worked with contractors and architects to design houses from the ground up as well as designed complete remodels and a commercial office space.
- My creativity and passionate attitude helped accomplish their desire for a custom style and/or period look.
- Am known for my expertise in Color (Color Consulting), custom wallpapers and/or murals.

Education

Bachelor of Science in Sociology - (University of Montana)
