WORK EXPERIENCE

Jr. Music therapist

Children's Hospital Los Angeles - January 2012 – 2020

- Assessed each client and continuing music therapy during their admission and future admissions in the hospital.
- Assisted in supervising music therapy interns throughout their entire six-month internship at the hospital.
- Collaborated with community donors and the foundation department in raising funds for the expressive arts program.
- Provided both group and individual sessions for students ages with emotional and intellectual disabilities in an educational setting.
- Conducted chorus, with weekly rehearsals and various performances throughout the year.
- Provided music therapy for adults with mental illness/substance abuse.
- Planned, prepared, and executed Music Therapy sessions.

music therapist

ABC Corporation - January 2011 – December 2011

- Had a caseload of 28-35 clients a week.
- All clients were diagnosed with some type of developmental disability through the Arizona DDD Department of Economic Security.
- Had an age range of clients from three-eighteen.
- Each client I saw once a week for a 11 50-minute session at the clinic.
- Saw two clients for a 12 music therapy session for 50 minutes once a week at the clinic.
- Assessed each client upon referral from DDD and set long-term goals and behavioral objectives to work on in further sessions.
- Managed my own paperwork and billing documents for each two-week period.

SCHOLASTICS

- Master of Music in Music Therapy Advanced Practice - January 2011(Arizona State University)
