SUMMARY

I am a very hard worker, I pay attention to details and willing to work any shift. I am very dependable and responsible. I have worked many jobs not limited to those shown. Most jobs were from those needing help and willing to give me the chance, such as pressure washing, yard work, and demolition.

SKILLS

Excel, Jd Edwards.

WORK EXPERIENCE

Plant Operator

ABC Corporation - January 2010 - August 2010

- Controlled equipment and monitored processes that removed or destroyed harmful materials, chemicals, and microorganisms from wastewater.
- Ran tests to make sure that the processes were working correctly.
- Kept records of water quality and other indicators.
- Operated and maintained the pumps and motors that move water and wastewater through filtration systems.
- Monitored the indicators at the plants and made adjustments as necessary.
- Read meters and gauges to make sure that plant equipment was working properly.
- Took samples and ran tests to determine the quality of the water being produced.

Plant Operator

City Of Midland - 2007 - 2010

- Perform daily operator duties along with any maintenance issues that are needed to make sure that operation runs smoothly.
- We collect water samples and test for solids we also have our scada system which monitors our entire plant.
- Also make sure that our flares Are constantly on to burn of the gas.
- I was able to take a pump offline take it apart find the problem and fix it in time where it didnt mess up our bacteria and didnt jack our blankets or anything else up.
- Was also able to fix a screen that was pushing water through without that we could over flow at head works and cause a tceq violation which could be costly.
- Skills Used Knowledge of diaphragm pumps.
- Mechanic skills and learning how to take something offline without setting alarms..

EDUCATION

diploma - (Ocean Springs High School - Ocean Springs, MS)
