SUMMARY

Extensive knowledge of the data warehouse implementation process, from gathering business requirements through logical modeling, physical database design, data sourcing, data transformation, data loading to data analytics and creation of reports, dashboards and scorecards.

SKILLS

Logical modeling, physical database design, data sourcing, data transformation.

WORK EXPERIENCE

Business Intelligence Architect/Executive

Methodist Health System - January 2015 – 2020

- Architected, installed, and configured three Weblogic/OBIEE 11g environments on 64-bit Linux, two of which were clustered.
- Developed procedures and best practices for OBIEE metadata multi-user development and change control.
- Implemented OBIEE reporting based on Demantra demand forecasts, Hyperion financial plans, and JDE actuals.
- Leveraged Active Directory (LDAP) security model for OBIEE 11g authentication and authorization.
- Conformed transactions from Hyperion Planning (Plan) Demantra (Forecast) and JDEdwards (Actual) across product, customer, geography and time hierarchies.
- Custom report and dashboard development to support decommissioning of in-house custom java reporting application.
- Custom data warehouse tuning to conform financial and manufacturing transactions.

Business Intelligence Architect

Delta Corporation - 2014 – 2015

- Architected strategy to coalesce multiple GE Corporate Finance OBIEE instances into a single footprint for director-level executives.
- Installed and configured OBIEE 11g and Oracle Weblogic 11g.
- Designed “stoplight” dashboard combining General Ledger, ETL process, and Essbase multi-dimensional statistics.
- Integrated OBIEE with conversion of Business Objects Planning application to Oracle Planning.
- Liaised with internal and offshore resources to coordinate tactical delivery.
- Custom Repository development to join heterogeneous data sources.
- This is Dummy Description data, Replace with job description relevant to your current role.

EDUCATION

Bachelor of Arts in Economics, Spanish - (Southwestern University - Georgetown, TX)
