Address: 1737 Marshville Road,  
Alabama.

## Objective

Highly skilled registered dental hygienist with over 15 years of experience in oral health promotion and advocacy in general dentistry and preventative care environments. A graduate from a top accredited dental hygiene program, starting out as a dental assistant, then excelled into Dental Hygiene. Being an assistant prior to furthering my education in the actual practice of dental hygiene, helped me in understanding all facets of the dental profession.

## Skills

State Of Missouri Local Anesthesia And Nitrous Oxide Certification As Well As Current CPR Certification As Well As Up To Date With All CE.

## Work Experience

### Dental Hygienist

**ABC Corporation** - June 2010 - October 2013

- Provide exceptional oral hygiene care to a variety of patients.
- Conduct nutritional and personal hygiene counseling as well as educate patients on preventative care to ensure health and wellness.
- Care for each patient with personal attention while performing prophylaxis/dental cleanings, periodontal debridements, scaling and root planings, and routine oral exams.
- Instructed patients on the best methods for practicing oral hygiene.
- Devised and implemented customized personal treatment plans.
- Delivered fluoride applications and placed sealants.
- Examined patients and took intra-oral X-rays.

### Dental Hygienist

**ABC Corporation** - 2009 - 2010

- Assist office staff while scheduling, filling and assisting patients whenever necessary.
- Trained in all facets of dentistry from young children to senior citizens.
- Experience with Dentrix and Dexis software.
- At my time at New Smile Dental, I was able to educate my patients about proper oral hygiene, and inform them about the relationship between healthy mouth, healthy body.
- Skills Used The skills that I demonstrate at this job are, efficient and thorough prophylaxis.
- Also help keep the sterilization area organized and running efficiently.
- Take initiative on assisting the office staff whenever and wherever needed..
