SUMMARY

Adjunct Faculty are professional educators who work on a limited basis and have the primary responsibility of fulfilling the Texas Southmost Colleges (TSC) mission, vision, values and goals of providing a quality education for all students enrolled at the College. The relationship of the adjunct faculty member to the student is one of leader, teacher, advisor, and facilitator of learning. Adjunct Faculty members are responsible to the College President through a chain of command and accountable to the Colleges policies and procedures.

SKILLS

Effective Communication Skills, Effectively in a team environment with a customer service focus.

WORK EXPERIENCE

Medical Sonographer/Adjunct Faculty Medical Sonographer

ABC Corporation - August 2011 - March 2014

- Strives for continual improvement of student success by planning an optimal learning environment.
- Provides high quality instruction and advising.
- Participates in the development of learning outcomes and in the assessment of students as well as of self and applied teaching techniques in order to increase effectiveness; and engaging in ongoing professional development.
- Manages learning environments by ensuring that accurate syllabi are developed that incorporate departmental, college and instructor requirements.
- Maintains attendance records, submitting grades, and providing constructive feedback as well as other relevant information to students throughout the semester.
- Conducted classes punctually and in accordance with the prescribed meeting schedule.
- Enhanced the student's learning experience by integrating concrete, real-life situations into learning experiences to encourage critical thinking, interdisciplinary skills and teamwork; by employing methods that develop student understanding of discipline-specific thinking, practices and procedures, as well as interdisciplinary applications, to create academic literacy.
