## SUMMARY

An accomplished San Francisco-based producer, director, and visual storyteller who excels in creating impactful and successful video projects. Expert problem solver, team leader, video strategist, and collaborator.

## SKILLS

Adobe Premiere Pro, Final Cut Pro, Avid, After Effects, Photoshop.

## WORK EXPERIENCE

### Freelance Video Editor

Self Employed - April 2012 - 2020

- Developed and edited client testimonial videos.
- Edited everything from feature films, short films, documentaries, fashion videos, beauty videos, food/fitness videos, corporate videos, webseries.
- Edited BMX related content for using Final Cut Pro 7.
- Organized project footage and arranged shot selections into sequences.
- Filmed and Edited theater productions for cast educational purposes.
- Created and maintained video and audio record archive for all productions from June onward.
- Edited video for clients such as IBM as well as for the efilms website.

### Freelance Video Editor

Delta Corporation - 2010 - 2012

- My jobs are often different day to day.
- Will sometimes get projects that take months, but also get projects that only take a day or two.
- I have achieved both big and small things since going freelance.
- Also had a short film I recently completed be accepted into quite a few film festivals.
- Skills Used Editing takes a lot of problem solving and critical thinking.
- Video Editor for Atom Factory and A/Idea content using Premiere CC, Photoshop CC, After Effects CC, and Flash CC.
- Video Editor for History Channels "The History Hustle" using Premiere CC, Photoshop CC, After Effects CC, and Animator CC.

## EDUCATION

BA in Cinema Arts, emphasis in Editing - 2004(CSU Monterey Bay - Seaside, CA)
