Work Experience

Performer/Executive

ABC Corporation - 2006 – 2009

- Performed original and sheet music for live audiences and recordings.
- Auditioned for positions in choruses, bands, and other music groups.
- Practiced and rehearsed playing piano, ukulele, and singing to improve technique.
- Rehearsed often to prepare for performances.
- Managed booking at various locations for performances and concerts.
- Traveled nationally and locally to performance venues.
- Performed at celebration events Managed funds, carried out activity plans, and communicated with the customer regarding party plans.

Performer

ABC Corporation - 2004 – 2006

- I learned blocking, choreography, memorized lines, sang, created characters and consistently had to collaborate with others.
- Also had to arrive promptly for all rehearsals and production times.
- I learned how to improvise and developed a great sense of comedic timing.
- It was a great thing to make people laugh and know that I was trusted as a performer on stage by my fellow actors and producers.
- Skills Used My sense of comedic timing, professionalism, ability and enthusiasm to learn new skills, and an awareness of the action around me.
- This was where I first learned to improv and found my talent for it..
