Comfortable With Electronic Medical Records.

PROFESSIONAL EXPERIENCE

Staff Physician

ABC Corporation - October 2011 – May 2014

Key Deliverables:

- Saw patients everyday in an outpatient clinic setting.
- Saw adult and pediatric patients.
- Practiced Family Medicine without OB.
- Scheduled and walk-in patients on a daily basis.
- Referred patients to local hospitals when further evaluation/treatment.
- Collaborated with our ARNP whenever she had questions about patient care.
- Collaborated with another physician who was a recent graduate.

Staff Physician

Delta Corporation - 2010 – 2011

Key Deliverables:

- I took care of patients at the Dodge City clinic.
- Practiced Family medicine without OB.
- Took care of patients with and without health insurance coverage.
- Common and prevalent diseases were HTN, DM, Hyperlipidemia, UTI, respiratory infections, gastrointestinal infections.
- Did physical exams (school physicals, pre-employment, well woman exams) I recommended patients to have routine screening exams done when appropriate depending on age and sex.
- Referred patients to local or regional hospitals when needed I worked along with a multidisciplinary team which included a registered nutritionist, nurses who gave appropriate vaccinations to patients, a behavioral health care provider, lab technicians, dental hygienists, and a legal assistant.
- Worked along with our community center located in the same building to help our patients get some of their basic needs met whenever they were not able to meet them (food bank, clothing, financial assistance to pay their bills) I helped our pharmacy located at the Garden City clinic by taking care of medicines sent to the Dodge City location.
