

ROBERT SMITH

EMT-Paramedic

info@qwikresume.com | [LinkedIn Profile](#) | [Qwikresume.com](#)

Accomplished and seasoned EMT-Paramedic with more than one plus years of experience with a commitment to excellent patient care. Responsible member of Riverside Medical Center's magnet committee in which the hospital achieved magnet status. To provide a concise background of the skills, knowledge, and experiences that I have attained which will aid potential employers in assessing my potential quality as their future employee. To acquire a position within your company that provides a challenging and stable environment that enables growth and personal development.

EXPERIENCE

EMT-Paramedic

ABC Corporation - APRIL 2015 - JANUARY 2016

- Provided direct patient care within the scope of practice of an EMT-basic.
- Maintained a professional attitude and appearance to maximize patient satisfaction and operational excellence.
- Worked alongside a paramedic, affording me the opportunity to receive constructive criticism and supplemental training in areas of unfamiliarity.
- Provided both routine and emergent transportation of patients following on-site stabilization of life-threatening symptoms.
- Performed on-site triage to expeditiously determine the appropriate echelon of care necessary to minimize mortality and morbidity.
- Attended continuing education sessions and completed online training to remain updated on standard operating procedures, operation of new equipment, and evolving national guidelines for emergency management.
- Inspected equipment and resolved deficiencies prior to in-service operations.

Paramedic - Intern

ABC Corporation - MARCH 2013 - SEPTEMBER 2013

- Administered primary and emergency medical treatment in accordance with approved protocols and licensure, in both field and small clinic environments.
- Accompanied client personnel on field missions as and when scheduled by the client.
- Treated injuries and/or illnesses using advanced life support techniques and medications.
- Documented and recorded all patient interactions and care provided.
- Completed all required client and regulatory reports and logs.
- Provided medical training to the client as requested.

- Led ground, fixed and rotary wing air medical evacuation missions

EDUCATION

- DIPLOMA in Youth Leadership - 2012 (WEST LINCOLN HIGH SCHOOL - Vale, NC) ASSOCIATE OF SCIENCE in Natural Sciences - (GASTON COLLEGE - Dallas, NC) RN - (Recently Back In College To Pursue An RN Degree)
