

Robert Smith

Dental Hygienist Head

PERSONAL STATEMENT

To secure a Dental Hygiene position in an enthusiastic and professional dental office. I enjoy the challenge of helping ease anxieties many patients bring to the dental chair, as well as wanting patients to feel that a visit to the dentist can be a positive experience.

WORK EXPERIENCE

Dental Hygienist Head **Apollo Dental Center - 2000 - 2019**

Responsibilities:

- Provided patient care for initial therapy as well as recall patients.
- Performed routine x-rays and panoramic x-rays.
- Administered local anesthesia and nitrous oxide sedation.
- Implant maintenance and patient education.
- Maintained complete charting records on all patients.
- Monitored sterilization equipment and x-ray equipment.
- Performed OSHA audits within the practice.

Dental Hygienist **ABC Corporation - 1999 - 2000**

Responsibilities:

- General dentist office.
- Began working here one day a week then progressed to 3-4 days per week.
- Experience with adults, children, and geriatric patients.
- Exposed, developed and mounted radiographs, took medical histories, gave dental hygiene education, performed periodontal charting and placed sealants.
- Used ultrasonic scalers as well as hand scaling supra and sub gingival.
- Enjoyed working with patients with heavy buildup and helping them to see how their gingival health improved after removing calculus and good home maintenance.
- Was also responsible for sterilizing my instruments and ordering & stocking my supplies.
