WORK EXPERIENCE

Cognos

ABC Corporation - 2004 – 2005

- Designed and developed standard reporting and ad-hoc reporting environments.
- Developed Framework Manager models by leveraging Cognos recommended design techniques.
- Assigned development tasks and monitor, improve, and report on the Cognos development process / progress.
- Assisted project manager in preparing time estimates and justification for assigned tasks.
- Participated in business process redesign, and work closely with stakeholders, define & refine business requirements, scope, design, quality and technical design.
- Determined data warehousing strategy; selects tools and techniques, including middleware, data cleansing tools, and/or data management systems to provide the solution to data and client issues and other matters of significance and to meet business needs.
- Evaluated existing subject areas stored in the data warehouse and determines where data should be stored.

Cognos

Delta Corporation - 2000 – 2004

- Analyzes the requirements and created Models, connecting various data sources, reports, sub queries, creating users, scheduler and joins using Framework manager.
- Designes and Analyzed the requirement for this project which has database as AS400, SQL server and data warehouse as data source
- Uses various kinds of Filters, List reports, Cross tab and sub queries. Used Visio for creation of logical E-R Diagram before creating the Catalog
- Creates a dashboard for merchandising department to have a display of all the aspects of the merchandising report, which is roughly a combination of eight reports and few extra fields.
- Provides assistance to business users in design and development of OLAP power cubes and reports that were directly reviewed by the top executives of the company helping them make intuitive decisions.
- Optimizes SQL in tune with the KPIs - dimensions and measures definitions given as per the business requirements.
- Implementes JAVA Scripts in Cognos reports to overcome challenging issues such as auto cascading of prompts, tabbed.

EDUCATION

Bachelor's degree
